

VACANCY BULLETIN

PSDC (PENANG SKILLS DEVELOPMENT CENTRE) was established in 1989 and is the first tripartite, industry-led skills training and education centre in Malaysia. Since its inception, the PSDC has grown phenomenally to become the premier learning institution in the country, dedicated to meet the immediate human resource needs of the business community and to support and strengthen business requirements. It has attained both national and international recognition as a truly successful example of shared learning and a model institution for human resource development to be emulated within and beyond Malaysia. We are currently seeking suitable candidates to join our organization in the following position:

Lecturer/Senior Lecturer

Responsibilities:

- Master's degree in Mechanical/Mechatronics/Electronics/Electrical Engineering or equivalent
- A strong commitment to teaching and learning
- Relevant experience will be an advantage

Requirements:

- Must be a Malaysian citizen
- Involved in teaching and learning
- Develop materials and curriculum of engineering programs
- Contribute in development projects
- Good command of written and spoken English
- Full-time position available

Interested candidates are invited to apply online or write-in with a full resume stating qualifications, contact number, working experience, and expected salary together with a recent passport-sized photograph to jyanthi@psdc.org.my or to the following address:
